to be made, by the VILLAGE OF MALONE relative to water supply. This includes  
the prescribed quarterly rental charges.

WATER SUPPLY RULES

A. The Department of Public Works representatives shall have access at all  
reasonable hours to all parts of the premises to which water is supplied.

B. The Department of Public Works reserves the right at any time, without  
notice, to terminate the flow of water in any of its mains in cases of conflagration, to  
make necessary repairs and extensions, and for such other purposes as become  
necessary or desirable.

**CAUTION:** All consumers having boilers within their premises not supplied by  
tanks or cisterns and depending upon the pressure in the pipes to keep them  
supplied are hereby cautioned against danger of collapse. Risk of danger, in all  
such cases, rests exclusively with, and is accepted by, the consumer. In cases of  
danger the hot water faucet should be opened.
