DPW CONTRACT:

Mayor Stewart started the meeting off by stating we are here to approve the DPW Contract that was negotiated. Everyone was given a copy to review the changes. Trustee Hafter reported that there weren't many changes and the last thing they worked on was the insurance. It is a one year contract from June 30, 2009 to May 31, 2010. There was a 2% raise negotiated. Also added was reimbursement for their CDL license if their job required it, and reimbursement for their prescription safety glasses. They can use ½ days for vacation time, but if they use all their personnel time, they may be granted vacation time in 1 hour increments upon approval of department head.

Mayor Stewart has appointed two members to be on the insurance committee and a letter will be written to the President of CSEA to ask for the names of his two members. Once that committee is in place and they have their first meeting, negotiations can begin again for the next contract.

Upon the motion of Trustee Patnode seconded by Trustee Hafter and unanimously carried to authorize Mayor Stewart to sign the contract.

Upon the motion of Trustee Patnode seconded by Trustee LePine and unanimously carried to adjourn the meeting at 9:10 AM.

Respectfully submitted,

Cheryl A. Douglas
Village Clerk
